

Prices and Transport

MicroZr™ Veneers

Prices

MicroZr™ Veneers:

- Minimum of 6, 8, 10, or 12 veneers (one full arch)
110 €/zirconia veneer

MicroCp™ Veneers:

- Micro Composite veneers (Minimum of 6, 8, 10, or 12 veneers (one arch))
110 €/composite veneer.

Transport

- Transport is made through **DHL** company;
- Cost of transport is around **25-40€** per shipping (may vary from city to city);
- Transport is charged to the clinic along with veneers invoice;
- Invoices are sent periodically (depending on order volume);
- Delivery is made twice a week (Tuesday and Friday).

Notes:

1. Ideally, and in order to dilute the shipping costs, several veneers should be sent per package;
2. Other possibilities can be agreed when requested.

Time to clinic

MicroZr™ Veneers time to clinic:

Manufacturing takes 1 to 2 weeks, from file arrival to packaging;
Delivery takes 1 day from Portugal to any country in Europe;
From the moment the files arrive until the clinics receive the veneers, it takes around 2 weeks – 10 working days.

The thinnest veneers in the market (< 0,1 millimetres – the thickness of a human air)
