Transport

CuddleGuard™ Paediatric Night-Guards transport:

- Transport is made through **DHL** company;
- Cost of transport is around **25-40€** per shipping (may vary from city to city);
- Transport is charged to the clinic along with invoice;
- Invoices are sent periodically (depending on order volume);
- Delivery is made twice a week (Tuesday and Friday).

Notes:

1. Ideally, and in order to dilute the shipping costs, several components should be sent per package;
2. Other possibilities can be agreed when requested.

Time to clinic

CuddleGuard™ Paediatric Nighth Guards time to clinic:

- Manufacturing takes 3 to 4 days, from file arrival to packaging;
- Delivery takes 1 day from Portugal to any country in Europe;
- From the moment the files arrive until the clinics receive the CuddleGuard™ Paediatric Nighth_Guards, it takes around 1 week (5 working days).
